ESQUIADES.COM, trademark owned by VIAJES PARA TI, S.L.U. (TIN B55666952), - as Responsible for the Treatment - is committed to guarantee, in accordance with the legal parameters established for the purpose, the integrity and security of the data that you provide.

The person responsible for the treatment is VIAJES PARA TI, S.L.U., TIN B55666952, registered in the Mercantile Register of Tarragona, Volume 2903, Book 0, Folio 37, Section 8ª, Sheet T 48873, 1st Inscription, with registered office in Bellisens Avenue, 42 Building TecnoParc Office 129, 43204 Reus (Tarragona).

ESQUIADES.COM offers online services through its own website and its applications for mobile devices. The information detailed in this document is applicable to all mentioned platforms:

Aspects to take into account about the privacy of your data:

1. **Type of information stored**

   To proceed with the registration of a user, the interested party must indicate their name and surnames, email address, and determine a password. All this data is essential to be able to formalise the user's registration.

   Each time a user visits our website, regardless of whether or not he/she makes a reservation, ESQUIADES.COM may collect certain information such as the IP address of the user, the browser that is being used or the operating system that is being used.

   When the user downloads the ESQUIADES.COM application for mobile devices, it will require users to grant your express consent for the use of a series of data related to your mobile device and the location.

   The computer system itself that manages the application for mobile devices will create a personal and unique numerical identifier number for each device.

   For the correct development of the features included in the ESQUIADES.COM application for mobile devices it is necessary that our entity compiles a series of data related to the mobile device: the push notification token used by the GCM protocol (Google Cloud Messaging) in devices with Android technology and the APN protocol (Apple Push Notifications) in devices with iOS technology, the name of the device from which the user connects, the type of device since the user accesses the application, the operating system version of the mobile device, the date on which the application was first installed, the date on which the application was opened for the last time, the number of times the user has accessed the application, and the date on which the last notification was sent.

   ESQUIADES.COM can obtain the location data of the mobile device from which the application is accessed as long as the user has authorised it when installing the application.
The location data is not stored in our servers in any case and is only used in order to show their situation on the current accommodation location map.

Similarly, if the user uses a mobile device, data can also be collected to identify the device and its latitude or longitude coordinates when the user authorises it.

However, none of this data, understood individually, allows us to identify a user, but this data is considered personal information.

2. Where is your information stored?

In accordance with the provisions of the General Data Protection Regulation and the Organic Law 3/2018, December 5th, Personal Data Protection and Digital Rights Guarantees, ESQUIADES.COM informs you that the data obtained once the signed form or contract will be included in a record treatment activity called "REGISTERED USERS". ESQUIADES.COM uses "cloud hiring" systems for the storage of the personal data of its users. For this, it uses suppliers located both within as outside the European Union. However, all suppliers located outside the Union European Union comply with the guidelines of the Privacy Shield between the US and the European Union: Google LLC; Amazon Web Services, Inc.
